## Ground broken on Canyon Town Center

GL Commercial, the commercial development division of GL Homes, has broken ground on its 200,000-square-foot shopping plaza in Boynton Beach, called Canyon Town Center, which is 55 percent leased. Located at the southeast corner of Boynton Beach Boulevard and Lyons road, the plaza's anchor tenants will include a 54,000-square-foot Publix grocery store, Walgreens and Bank of America. Completion is expected by the end of this year.
